

East Hill Farm (Plainfield, Vermont)

Directions from Interstate I-89:

Exit #7 from the North or South. That's the Barre/Berlin exit.
Take the access road off the Interstate and go straight. Go through four sets of lights following the signs to Barre (stay in left lane).
Come into the center of Barre (there's a pizza place on right/statue on left).
Go straight onto Rt. 14 North.
Leave Barre and pass the cemetery on left.
Take first right on to Plainfield Brook Rd. (corner general store on right)
Take third right hand turn onto Flood Rd.
Go ½ mile and turn left at "T" onto Middle Rd.
Go ½ mile and take first right onto Gonyeau Rd.
You'll start to see farm on right about ½ mile down the road.

Special Trailer Instructions:

If you have a horse trailer for day trailering, pull into the field just past the dressage arena and park in the field closer to the road.

If you have a stall reserved, keep going past the indoor and past the second barn on the right and pull into the last drive on the right to unload, then put your trailer up in the field by the dressage ring.

If you have a big trailer, go past the last driveway and turn around at the four corners just beyond and pull straight in. Then, unload and do the same.

If you just have a car, you can also park in the field.

No parking next to the barn except staff.

A Note About GPS Instructions:

If you are using a GPS to find us, and it makes any mention of Barclay Road, IGNORE THE DIRECTIONS! That road has not been there for at least 40 years.
